GROUND'S' Labeled ORANGES

are the very best oranges that have been shipped out of California this season. They are carefully selected after being allowed to attain their full growth on the trees, packed in ice cars to preserve their goodness for you, and they are distinctly different. The warm sunshine of California is reflected in each golden globe and they have the true orange tang.

White Mountain Pure Creamery Butter

is made with such extreme care from high grade cream in a spotless dairy that each pound is just like the other and we confidently recommend it to you. It is really butter perfection and is now selling for the lowest price in its history.

Save The Labels and Wrappers

The labels from these oranges and the wrappers from this butter are being saved because they are worth money. The twenty-five persons who save the largest number between now and June 1 will be presented with handsome sets of beautiful dishes and the next 100 persons will receive Goycycles. And the Goycycle, by the way, is bound to be a very popular plaything for the children this summer. It is safer than the bicycle and will furnish endless healthful amusement for the little ones. If you don't have enough labels to get one of these premiums free you may still secure the dishes if you have at least 100 labels with \$3.24 or a Goycycle for 64 cents. Those of the 25 who do not care for the dishes will be given \$6.50 in money and those of the next 100 who do not care for the Goycycle will be given \$1.30 in money. Each butter wrapper counts as fifteen orange labels.

Remarkable Testimonial for Supt. Lovell

The Bennington Banner believes in saying good things about people while they are alive, not waiting until they are dead and words of praise cannot reach their ears. The Banner has had in mind to say something in appreciation of Supt. Lovell's work as head of the State's prison, a position from which he is retiring, but says that there has come to hand a rather remarkable testimonial that is worthy of being printed and preserved. In the course of a personal letter to the editor of The Banner, Jerry Bradley, a life prisoner at Windsor has the following to say regarding Mr. Lovell:

"While I am sending you this letter, I wish to say a few words in regard to the breakup here. No one has asked me to say it either. It is that myself and about 200 other men here are sorry that Mr. Lovell is going to leave us. He has been a good and kind friend to us all and we can see that we are going to miss him and miss him hard too. He has made many improvements in the comforts of the prisoners.

"For fifteen long years I could get just about half enough to eat and had to work like time in my cell to make a little money to spend for food. Since Mr. Lovell has been here I have had good clean food and plenty of it. He has done many things for the boys to help take the sting out of this prison life.

"I could write a large page of the improvements he has made for the men and have known him to dig down in his own pocket to spend money for the boys. Little the outside people know of the good that Mr. Lovell has done for the improvement of the men, but the prisoners on the job know and when I see you again, I am going to tell you a lot more he has done for his men. 200 prisoners are sorry he is going to leave us."

The people of the State appreciate Mr. Lovell's years of labor with the institution and earnestly hope his successor will take the same attitude, that he has, giving aid and encouragement to unfortunate inmates rather than unjust and cruel treatment.—Hardwick Gazette.

GOOD BACKS FOR BAD

Bennington Residents Are Learning How to Exchange the Old Back For a Stronger One

Does your back ache, feel weak and painful? Do you suffer headaches, languor and depression? Is the urine discolored, passages irregular?

The kidneys may be calling for help. Weak kidneys cannot do their work. Give them the help they need.

To cure kidney backache you must cure the kidneys. Use a tested and proven kidney remedy.

Doan's Kidney Pills have stood the test. Convincing proof of merit in the following endorsement:

Fred Thompson, farmer, North Bennington, Vt., says: "For some time my back was lame and ached severely and I was hardly able to bend or stoop. Doan's Kidney Pills were finally brought to my attention and I began using them. They made me feel better in every way."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

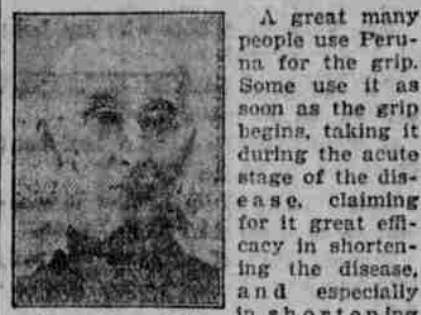

Remember the name—Doan's—and take no other.

Plain Truth that's Worth Money

Using Foley's Honey and Tar for a cough and cold is just practical common sense. It is exactly made to stop a cough and check a cold and it prevents laryngitis, bronchitis or pneumonia. F. P. Monahan, Monmouth, Wis., says: "I am exposed to all kinds of weather and I find Foley's Honey and Tar Compound always keeps me up in good shape when I catch cold or have a bad cough. I recommend it gladly." Refuse substitutes. Cole's Pharmacy.

FOR THE GRIP

Peruna Is Sometimes Used With Good Results

Mrs. Jane Gift, after stages. Many people take it after they have had the grip. Their convalescence is slow. They have suffered along for a month or two, without any signs of complete recovery. Then they resort to Peruna as a tonic, with splendid results.

Mrs. Jane Gift, R. P. D. 1, Athens, Ohio, whose portrait appears above, writes: "I think I would have been dead long ago if it had not been for Peruna. Six years ago I had a gripe very bad. The doctor came to see me every day, but I gradually grew worse. I told my husband I thought I would surely die if I did not get relief soon."

"One day I picked up the newspaper and accidentally found a testimonial of a woman who had been cured of gripe by Peruna. I told my husband I wanted to try it. He went directly to the drug store and got a bottle of Peruna. I could see the improvement in a very short time and was soon able to do my work. I continued using it until I was entirely cured."

Mr. Victor Patenaude, 328 Madison St., Toledo, Kas., writes: "Twelve years ago I had a severe attack of la gripe and I never really recovered my health and strength, but grew weaker every year, until I was unable to work."

"Two years ago I began using Peruna and it built up my strength so that in a couple of months I was able to go to work again. This winter I had another attack of la gripe, but Peruna soon drove it out of my system. My wife and I consider it a household remedy."

Those who object to liquid medicines can now obtain Peruna Tablets.

NOW'S THE TIME

To guard that cough or cold. Don't wait until it is too late before taking something. The best thing we know of is our cough syrup or Phospho-Quinine tablets. They check a common cold before it leads to something more serious and often times save a good sized doctor's bill.
